A Toast to Chuck

A maverick when it came to doing the right thing for Egg Harbor Township school children, Chuck wasn't afraid to speak his mind, question authority, or blaze a new trail if it meant the students would benefit.

As Vice President of the Community Partnership for Egg Harbor Township Schools, Inc., Chuck always led by example. He mentored students, served as their bridge connecting them to the business community, and unselfishly gave his time and resources to student causes he believed in. He touched the lives of people every day with his genuine respect for others, his ability to find the good in all people, his nose-to-the-grindstone work ethic, and his "do-the-right-thing" attitude.

Chuck taught us all the meaning of giving back. He was, still is, and will always be an inspiration to us all. Thank you, Chuck!
